

LIFE IN LIMA LIVERPOOL
Sharon Jones in Peru the UK

Hola!

IF THE CLOUD REMAINED OVER THE TABERNACLE FOR A LONG TIME,
THE ISRAELITES STAYED AND PERFORMED THEIR DUTY TO THE LORD.
NUMBERS 9:19

So... the 'cloud' has remained over Liverpool and I have stayed! The encouragement of this text, and the story of the clear and constant guidance that God gave to the Israelites, have given me peace about my extended time in the UK. It is important to be reminded that the cloud actually represented God's presence, rather than the usual meaning we attribute to clouds, like storms or darkness. I am so grateful I have felt God with me during this time away from home. I am certain he got me here, and he will lead me back- I just don't really know when! So, while I am still here, I'll try to perform my duty to the Lord.

Buena Tierra

Thank you for praying following my previous newsletter! Our 'Viaja con Pablo' (Journey with Paul) materials have been well received- the website has over 4600 hits! Check it out! www.viajaconpablo.com

We have just finished delivering 3 online training sessions for Bible Month. We shared about these themes:

- * The Bible: How can we study it at home with children?
- * The Bible: Why should I study it before teaching it?
- * The Bible: How can I teach kids online?

We were amazed to have people from all across Latin America participating; from the USA, Central America, Venezuela, all the way down to Chile!

CLC Peru

I am so thankful we were able to support the staff whilst they had no income, they were very grateful. Thank you to those who gave, and those who had their 'Doortrait' photo session!

Praise God that all 3 shops are now open again, albeit with some limitations and Covid security measures. We are so grateful for increasing sales and the smooth importation of new books and Bibles. It has been a very intense time, with no breaks and much stress, so please remember the team in your prayers.

A big step forwards has been the launch of our new website! www.libreriaclcperu.com We have seen a good response to it so far, pray it will enable us to reach more people with Bibles and edifying Christian literature.

SO BLESSED TO WORK WITH THESE TWO! MOISÉS AND MARICARMEN HAVE BEEN A GREAT SUPPORT IN DEVELOPING THE TRAINING THIS PAST MONTH.

Carlos Marin, our boss, is still in Ecuador with his family, and not being able to get to Peru to work is hard. It is tricky when trying to coordinate online rather than in person, so please pray for him. His commitment is time limited, so we are praying for the right person to take on the Directors role in the future.

What's happening in Peru?

The situation in Peru is still tough, currently they have the highest mortality rate in the world. 805,302 cases have been confirmed and 32,262 deaths recorded (28/9/20). However, the numbers are now starting to fall and there is some hope.

Restrictions are being eased very slowly, and there are still many things not allowed. For example, children under 12 are only allowed out for 60 mins and within 500m of their home, accompanied by an adult from their household. Can you imagine that?! Family meetings and social gatherings in homes are prohibited again, as the rates of infection increased when this was allowed after the first 4 months of quarantine. (Similar to here.)

IN PERU YOU HAVE TO BUY ALL THE MEDICAL EQUIPMENT, RESOURCES AND MEDICINE FOR SOMEONE IN HOSPITAL. THERE IS CORRUPTION IN THE SUPPLY CHAIN AND PRICES ARE INFLATED. LONG QUEUES TO GET OXYGEN TANKS REFILLED ARE A COMMON SIGHT.

Liverpool to Lima Challenge

We made it to Latin America!
SO MANY MILES!

Thanks to all of you who walked, ran or cycled during July and August to raise money for Latin Link's Indoor Expeditions campaign. The money goes to help those who most need it during this pandemic.

Some of you might not be too surprised at this special news...

I am very happy to share that I am in a relationship with Moisés - yes, the lovely guy who I work with! Sadly in the 9 months we've been together, we've only been in the same city for 6 weeks!!

We are taking things slowly, (very slowly thanks to Covid-19!) and trusting God for what the future may hold. Please keep us in your prayers!

Creativity is my superpower!

My latest creative outlet is making jewellery! If you are interested in supporting me (and maybe getting ahead on your Christmas shopping?!) please get in touch. Custom orders considered. See some pics below.
