

Life in Lima

Hello lovely friends!,

This is just a short update as I'm very, very busy trying to get a lot of things sorted before I come to the UK for a holiday with my family!

If you would like to see me, I will be sharing very briefly in two church services:

Sunday 25th Sept: Long Lane Church, Liverpool

Sunday 16th Oct: Toxteth Tab, Liverpool

Plus, you are warmly invited to drop in and say hi at an Open House:

Sunday 16th Oct, 3pm onwards. At my mum & dad's house, Liverpool. (Ask for the address if you need it!)

I keep finding giant hands to climb into! Always reminded of how I'm in God's safe and loving hands even in difficult circumstances.

Latin Link Perú Team gathering

At the end of July the Latin Link Peru team was finally able to get together, after two years without meeting physically. We had a special time in Arequipa, with devotionals, lots of food and fun times.

"You're invited! Come and eat with Jesús!"

For a few years now I've had an idea in the back of my mind for a new Holiday Bible Club... And now we are finally writing it! My aim is to have all the content written and with the editor by the time I leave for the UK, (Tues 20th Sept!!). The book needs to be ready for the printers by the first week of November (And I am in the UK until the third week of October. YIKES!)

Our colourful logo is based on a Peruvian design style called 'Chicha'.

The book will be about how Jesus loved to eat with all kinds of people and about the special invitation he extended to them to follow him. We will look at five meals from the gospel of Luke, learning about who Jesus was and what he did. Chef Ketchup and Chef Mayonnaise will also be helping the kids enjoy their time each day!

Please pray:

- ♥ For the book to be full of good Bible teaching, clearly explaining Jesus' invitation of forgiveness, peace and acceptance. There are 15 classes, 5 for each age group: 4-6, 7-9 & 10-12 years old. Plus songs, games and sketches.
- ♥ For Maricarmen, Moisés, Sara and Regina, (the training team) who have been learning how to be authors! We are working together to write the lessons. We are nearly finished but there is a lot of detail to work on.
- ♥ For Delyth, our editor- She has the grand task of checking all our grammar and that the text makes sense.
- ♥ For Wilder, our graphic designer- He will do the more complex work and I will aim to do the more basic stuff.
- ♥ For Luis Miguel, our typesetter- He will be changing all our word documents and graphics into a beautiful book design!
- ♥ For Victor, our music producer- He takes my song lyrics and makes magic happen with instruments and voices!
- ♥ For Angie, our training administrator- She is helping me by organising our training dates with church across Peru for December and January. I hope we can train in 20 different places. It will be a VERY busy season!
- ♥ And please pray I can get the bulk of the work for the book done before I travel, so I can fully rest and enjoy my family holiday in Crete and my brief time in Liverpool.

Much love, Sharon
